

Job Opportunity in Bowling Green, Ky.

Bowling Green Municipal Utilities is accepting applications for a Wastewater Treatment Plant Operator. Applications will be accepted until Feb. 10, 2016. This is a third-shift position, scheduled from 10 p.m. to 6 a.m. with rotating weekends. At a minimum, the applicant must possess a high school diploma or GED, valid Kentucky driver's license and must obtain wastewater treatment certification by the Commonwealth of Kentucky. Preferred qualifications include, but are not limited to, possession of certification by the KY Division of Compliance Assistance as a wastewater treatment plant operator (Class I, II, III or IV). Experience using backhoe, forklift and bobcat.
